Foreword

The doors through which we pass—the corridors—the minutes of sociabilities before class—the classrooms—all recall the many smiles, sorrows and dreams of '58. This has been our goal as a staff: to catch glimpses here and there, so that in years to come this year at Selah Hi will not fade from memory.

Without further delay, we present, for your enjoyment and entertainment, the 1958 Fruitspur.

Administration

To expend wisely and efficiently a school district budget of \$518,563 for equipment, supplies, instruction and transportation is only a part of the tasks of administration. Hiring staff members, arranging schedules, planning bus routes, providing classrooms, counseling students, and arranging activities are others that keep the superintendent and principals busy. Much of their work must also be with the patrons in interpreting the school program and needs of the community. Thus leadership in curriculum planning with teachers and patrons becomes a vital role.

Principal

Years of experience has given our high school principal, Mr. Glen Odman, an almost uncanny ability to see through alibis and excuses. Much of his experience has been at Selah where he has served as class room teacher, guidance director, and in his present capacity.

His office secretary, Mrs. Ruth Pettit, graduated from Selah High. Her background and knowledge of the Selah School System has made it possible for her to give valuable assistance to students, teachers, and administrators.

Mrs. Ruth Pettit, Mr. Glen Odman

Superintendent

Mr. E. L. Steinke, Superintendent of Schools, is now in his thirty-second year of teaching and administrative work. For fifteen of these years he has been at Selah, first as principal at Sunset School and for the past twelve years as superintendent. This year he will be able to see one of his goals materialized in the form of a new Junior High School.

Mrs. Margaret Hale, secretary, also performs the duties as clerk of the board. Her many duties are carried out in an efficient and businesslike manner.

Mrs. Margaret Hale, Mr. E. L. Steinke

Board of Directors

Members of the Board of Directors have given freely of their time and energy for the improvement of the Selah Schools.

Mr. J. Ben Johnson is senior member of the board having served for the past fifteen years. Six of those years were in the capacity of chairman.

Mr. James Fletcher was elected to the board in 1948. He has represented his district continuously since that time.

Mrs. Dorothy Schlagel, East Selah housewife, was appointed to fill the unexpired term of Mr. Lloyd Dodd. The following year she was elected to a new term.

Mr. James Fletcher, Mr. J. Ben Johnson, Mrs. Dorothy Schlagel.

Mr. Leon Olberg, Mr. Selwyn Justice

Mr. Olberg and Mr. Justice are pictured as they check for information in one of the office files. Mr. Olberg, only returning member of the board, has served for years. His experience will be a valuable asset to the new board.

Mr. Selwyn Justice completed the term of Mr. Gilbert Peck and was twice elected to new terms. He, like the others, somehow found time to attend the many meetings required of school board directors.

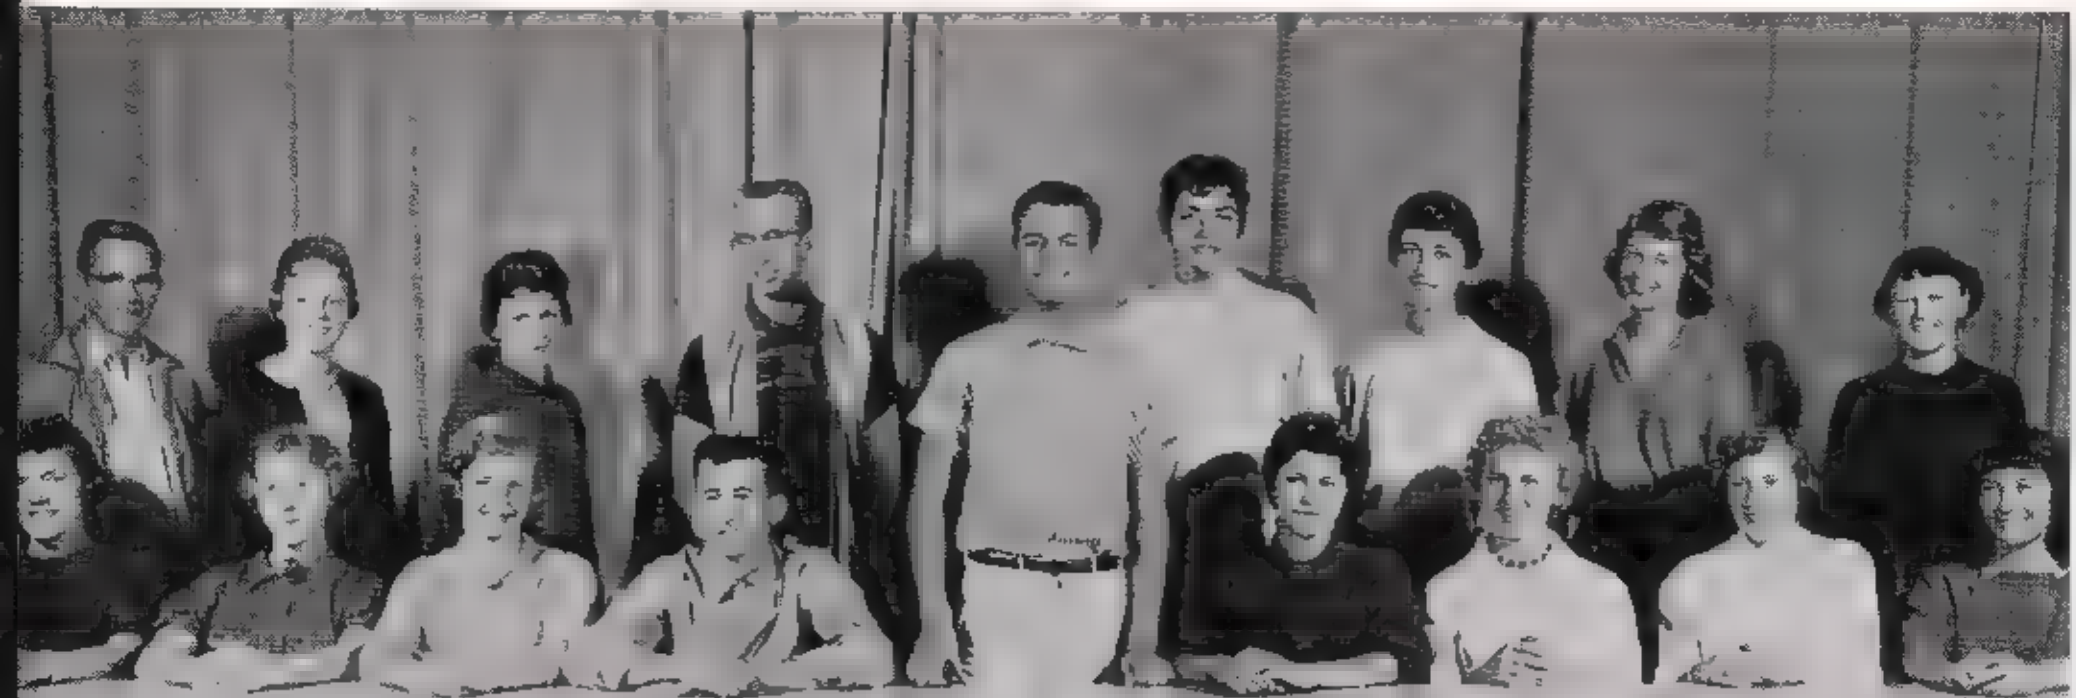

Board of Control

The Board of Control is made up of the student body officers and representatives from each home room. The representatives bring up anything that is discussed in their rooms, to the B.O.C.

Classes

Selah High Classes, with a total enrollment of 455, represent the largest student body in the history of the school.

The Freshman Class, 129 strong, found it to be a rude shock to be dropped from the top status of Junior High to the role of Freshmen.

111 Sophomores returned to Selah High for their second year. The large number in the Honor Society indicated their studious attitude in the classrooms.

The radiant glow of class rings identified the 118 Juniors that roamed the halls. It seemed a long road, but with only one year left, they caught a second wind and looked forward to their Senior Year.

Coming up through the ranks, 97 have reached the top. They can rightfully claim the honor and glory found only in a Senior Class.

Activities

Activities at Selah are open to anyone who wants to take a part in them. Some are automatic, like the Girls' Club and Boys' Club. Some are voluntary, such as sports, and some you are elected to, such as the Pep Club and B.O.C.

In order that everyone is given an equal opportunity to join organizations, a control is kept on activities, whereby no person may earn more than 20 points in one year.

Your success in school activities may determine your success in the world. They are a part of your education. From these activities you learn to meet new friends and to work with others on an equal basis.

DISPLAY YOUR LITERARY TALENTS;

Get Your Xmas Ad Now! Band, Chorus To Give Christmas Concert

For the first time this year the Calyx Echo is having personal advertisements in the special Christmas edition. They are only 50c per ad, and are a golden opportunity to greet all your friends for Christmas. The first one turned in will receive a special, enlarged ad. Deadline for the ads is December 17.

For further information about the ads, contact Donna Caldwell, Shirley Shore, Virginia Pollard, Sydney Phelps, or Karen Moss.

Selah High is looking forward to the coming Christmas Concert, dated December 19. The concert will consist of the high school chorus and band.

The chorus will sing "Era of Peace," by Ralph Williams; "Cherubin," by D. S. Bartniansky; "Silent Night," & "Adeste Fideles," by F. F. Swift; "You'll Never Walk Alone," by Rodgers and Hammerstein; "Madame

Star Reporter Ione Morris

Again this year the Calyx Echo is choosing a Star Reporter when staff heads feel that some person on the staff has done outstanding work. The Star Reporter is chosen on his willingness to accept assignments, dependability, and extra assignments handed in. He or she can be on any division of the Calyx staff. He doesn't have to be a reporter.

This issue's Star Reporter was chosen because of her willingness to accept extra work and the quality of her work. She is always willing to write extra articles for the Calyx, and often

stays after school to help copy-read.

She is active in other things besides her work on the Calyx. She is an officer in the Viking Club, second head waitress in the Servers Club, and on the Honor Society, just to name a few of her activities. If you haven't guessed who our Star Reporter is by now, her name is Ione Morris, assistant news editor.

S.H.S.'s Radio Club, "The Spark Gappers," held its organizational meeting December 4. The club is being taught Radio Theory and code by Mr. Jay DeJager, advisor. The main purpose of the club at present is to help

(Continued on page 2)

5. Entries must be typewritten, double spaced, on a full sheet of paper with not more than five typographical errors.

6. Staple pages together.

7. Contest closes December 17, 1957, at 3:50.

In addition to prizes, the winners names will be printed in the paper and first place winners' entries will also be printed.

No student, even Calyx staff members, will have anything to do with the judging of the contest: Townspeople will do the judging. First prize winners will receive \$3.50 either in cash or a gift certificate; second place will get \$2.50; and third prize \$1.50 in all divisions.

Any questions? Ask Shirley Shore. Sydney helps or Donna Caldwell for further information—Well, good writing.

Spanish Club

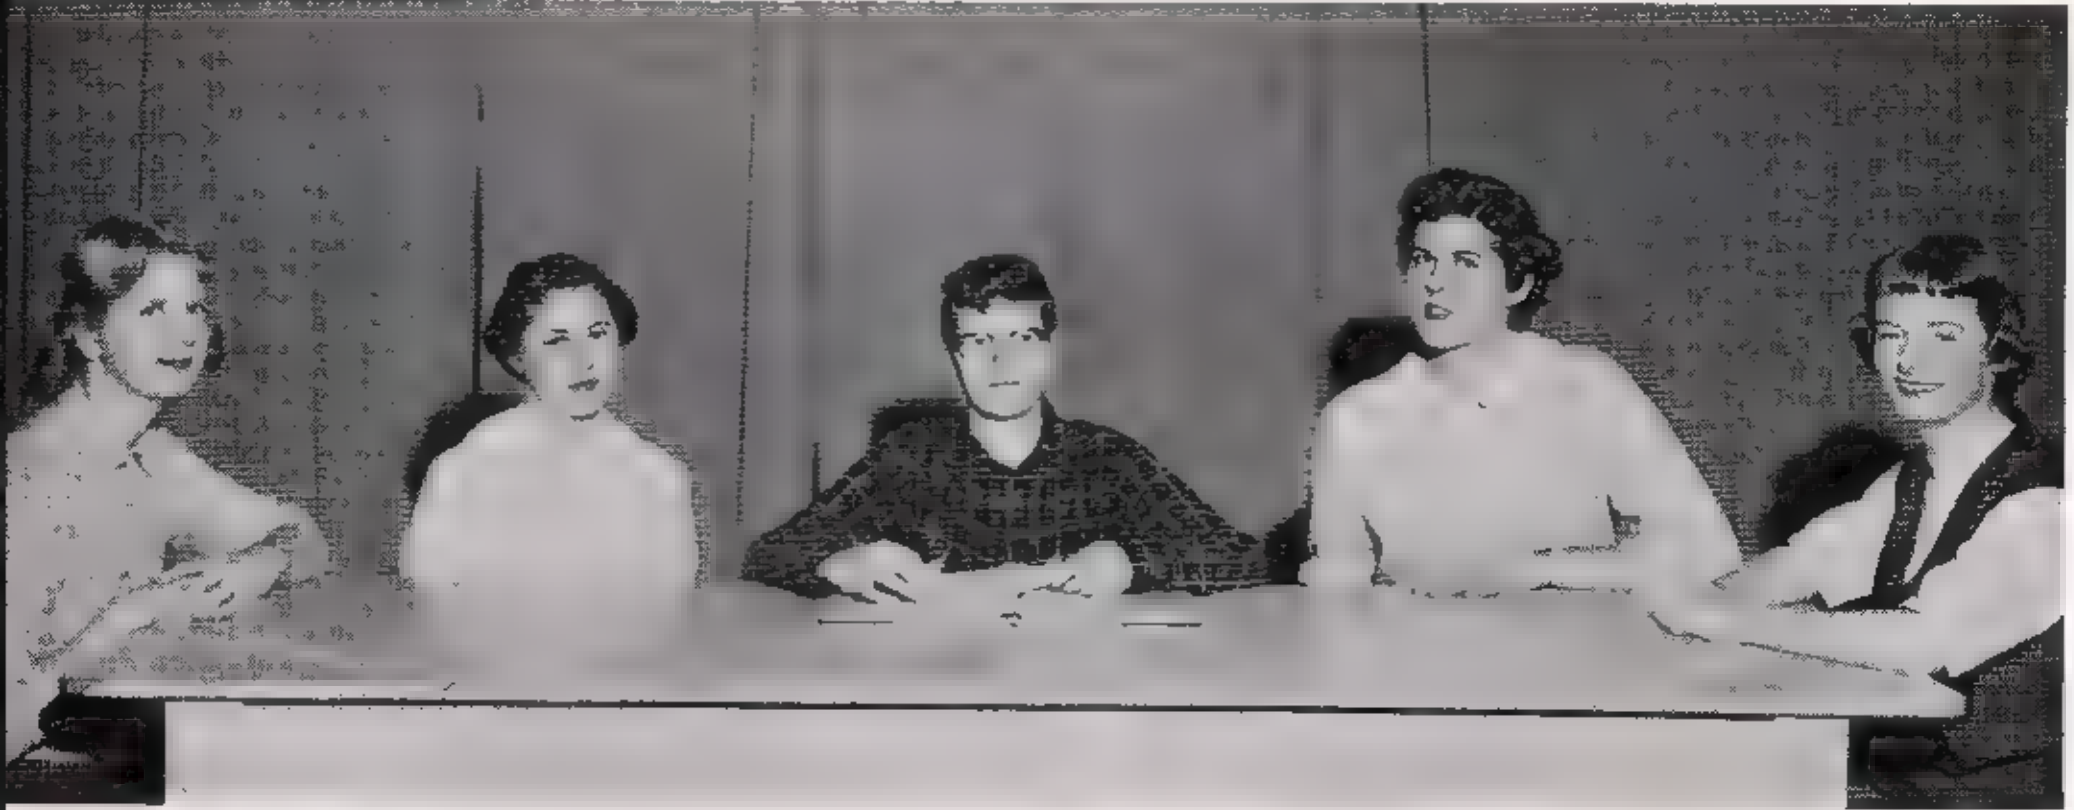

If you happen to pass room 109 you might see and hear some fluent Spanish conversation, under the direction of Mrs. Paul. To add a little variety and entertainment while learning the language, the class also participates in singing in Spanish and keeping a daily diary in Spanish.

The club won first prize in the homecoming parade for the best float.

To welcome the first year language class, the Spanish Club sponsored a Spanish-Latin Club banquet.

Latin Club

The enrollment this year in the Latin class was so high that two classes resulted. Dianna Gentry is president of the first period class, and Rosemary Smith heads the fifth period class. Every year the Latin Club has many activities. In the Homecoming parade they tied for second prize with their float that had the motto, "Et tu, Vikings." This year the Latin class, being first year students, will give the Spanish class a picnic.

Servers' Club

Servers' Club is open to girls wishing to serve at school and community banquets. One must serve at three banquets during the year in order to be a member. Once a girl is selected she will automatically be a member the following year.

Head waitresses are selected from Sophomore, Junior and Senior classes by Miss Prior, advisor. Donetta Pyle stepped behind the apron as head waitress and president of the club this year. Ione Morris was sub-head waitress and Linda Hartzell was third waitress. Duties of these waitresses are to supervise the girls and work closely with the head cook.

This year the girls appeared in dark skirts, white blouses and new pink flared aprons.

Viking Club

Have you as a student ever passed by the fence at the football games? If you have you probably have seen many active students in the Viking Club guarding the fence. Some of their other duties are checking A.S.B. Cards and taking in money at the gates. Each Viking has the responsibility of attending every home game. They are also active in the winter sport, basketball. This club is under the direction of one of our school's well known mathematics teachers, Mr. Emhoff.

Sports

Whether boys desire to block on the football turf, score field goals from the floor, slug the ball for extra bases, or challenge an opponent across the tennis net, there is a place for each in our sports program. Occasionally championships come our way, but to us it is more important that our boys play the game for the love of the sport.

In addition to tennis the girls participate in a varied sports program. Under this program girls earn letters after qualifying by extensive participation.

Student interest in the sports program runs high. With the completion of a new gymnasium for next year, our sports program should be greatly improved.

Selah's defensive power

Selah's scoring ability

Conger and Lambert

The Selah High School football team started off the 1957-58 school year with a slam, bang and three good wins. Thirteen lettermen were back to get the ball rolling. The first game ended in an upset over the famed Naches Rangers. Again Selah scored when she came from behind to win in a close game with Grandview. In the next game with Prosser, Selah failed to come from behind when she fumbled the ball in the last minutes of the game. However, they came back again to win from Highland in the last quarter of the next game.

Selah started off the second half of the season with a tie with Cle Elum. In the next game with Toppenish, Selah could not hold on to the ball and thus suffered her second loss.

Selah's offensive prowess was excellent

Managers: Vern Sitter, Dave Willis, Dave Holmes, Marlund Hale

The night before Homecoming Selah had a pep rally in the streets and burned a West Valley dummy. A parade took place the afternoon before the game with floats bearing slogans like "Ramburgers for Sale, Cheap!" That night the "S" was burned on the hill. Despite all this enthusiasm Selah lost to West Valley. The final game with Marquette ended in a smashing win. And so another football season ends with the hope that next year . . .

GO, GO, GO, SELAH VIKINGS!

One flip of the coin and the Selah Vikings claimed full ownership of second place and were seeded into the class "A" tournament. This climaxed the last win of the regular season and broke up an almost perpetual tie between Selah and Marquette.

The tournament for Selah began Friday night, February 21, in a game with West Valley. Trailing 8-14 at the end of the first quarter, the Vikings gradually gathered steam and came from behind to win 53-33. Winning this game matched the Vikings against Goldendale the following night.

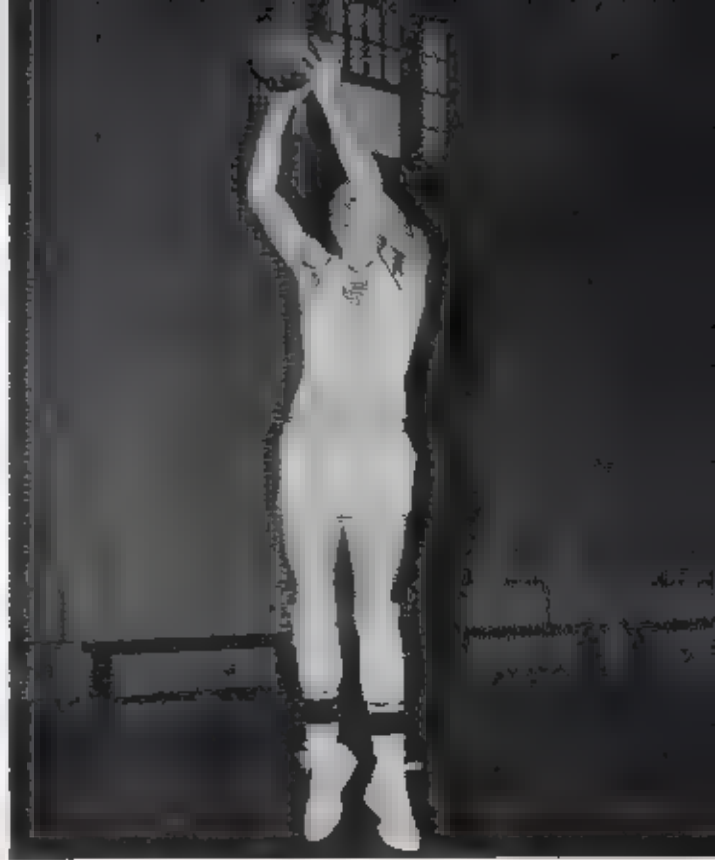

The game Saturday night proved to be an exciting one. Beaten by two points earlier in the season, Selah came into the game ready to fight for a win. The Vikings just couldn't miss the basket and ended the first quarter 16-10 in front of Goldendale. They kept this edge throughout the whole game and finished with a 57-50 win.

As we go to press, the Viks are in line to play Highland for the first and second berths in the state tournament. And while we pay a tribute to the team for a good job well done, it's "On to state in '58!"

Rod Knipper passes off to Butch Foster (6) as Wendell Belcher sets up a screen.
Bud McDermott (20), Bill Fife (25) and Bill Zirkle are the defensive players.
